We Invite You to Be a Catalyst Partner

As a Catalyst Partner, your investment in Philanthropy Northwest will enable us to be transformative in how we show up, step up and scale up in this new era.

Specifically, we seek to expand our work in three important ways. First, we are increasing our commitment to diversity, equity and inclusion (DEI) by expanding DEI programming. Additionally, we are growing our DEI, CEO and trustee cohorts; and amplifying the Momentum Fellowship program. Second, we are promoting advocacy and engagement through policy support and training, Census 2020 efforts and the Democracy Lens tool. Third, we are enhancing our infrastructure and growth by adding regional staff and investing in digital technologies.

With your commitment as a Catalyst Partner, our vision can become reality so that Northwest communities have vibrant, healthy futures that honor our past, our people and our culture.
