

# PNW24 Sponsorship Guide

## **PNW24 Conference**

October 21-23, 2024

Missoula, Montana

## About Philanthropy Northwest

Philanthropy Northwest is a dynamic regional network comprised of philanthropic partners across Alaska, Idaho, Montana, Oregon, Washington, Wyoming and beyond. For nearly five decades, Philanthropy Northwest has been more than an organization; we've been a community, a trusted partner and a peer collective that is committed to transforming ourselves and our sector. We envision a future of equity and racial justice for all, grounded in the power of collective possibility.

While we have nearly 50 years of experience working in philanthropy in the Northwest and beyond, more importantly, we have an expansive vision for the future: to grow philanthropy's capacity to move resources and power towards communities historically overlooked by the sector. We are passionate about coming together to learn, spur action, and support one another in our personal, professional, and organizational growth.

## Be Part of Something Special: Sponsor PNW24!

Philanthropy Northwest invites you to be part of bringing together philanthropic leaders from across the Northwest by sponsoring the PNW24 conference. After a year-long pause with a listening tour and time for intentional and strategic thinking about how we can most meaningfully gather as a network, our conference is back! We are so excited PNW24 is returning **in-person October 21-23, 2024 in Missoula, Montana.**

PNW24 is the largest gathering of philanthropy practitioners in the region. With over 300 attendees expected in 2024, there will be opportunities to network and connect, learn and share, and explore how we collectively advance philanthropy.

We are seeking supporters to help make this event possible! We have a variety of sponsorship levels and special opportunities available to meet your needs.
