

## SPONSORSHIP OPPORTUNITIES

Our Annual Conference is the largest convening of grantmakers and philanthropies in the Northwest, consistently bringing together over 400 individuals for peer learning and collaboration from across the social, civic and corporate sectors. In 2020, we held our first virtual conference and our community set an attendance record with more than 450 philanthropists from over 170 organizations around the Northwest.

**Join us in making this year's conference an unforgettable experience as a PNW21 sponsor.**

### What Does Your Sponsorship Help Provide?

- Inspiring speakers like Dr. Ibram X. Kendi and Se-ah-dom Edmo (PNW20 Keynotes) to spark change in philanthropy
- Networking opportunities to connect with colleagues
- Meaningful learning experiences like community speakers and conversations about issues at the forefront of philanthropy

### What's This Year's Focus?

Coming together as a network helps us strengthen our connections and grounds our work to build more vibrant and equitable communities. Your support helps us bring the conference to life and advance important conversation topics such as:

- Racial justice and reparations
- Highlights in rural philanthropy
- Equitable investment practices, impact investing and donor-advised funds (DAFs)
- Powerful partnerships between Indigenous communities and philanthropy
- Collaboration between philanthropy, government and community to boost impact
- Building on bright spots from 2020 and 2021

Don't miss this opportunity to be part of something special. We're excited to bring our network together and imagine what's next for the sector, but we can't do it without your support. We are pleased to offer a range of sponsorship opportunities detailed on page two.
